

THE HÅG MOVEMENT

HÅG's mission is to give movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

HÅG Futu

- With the advanced HÅG in Balance® technology, HÅG Futu works to intuitively keep you in balanced motion without you having to think about it.
- Designed to be in harmony with its surroundings, free for long dominating levers and unattractive adjustment wheels.
- User-friendly and well suited for multi-user office environments.
- Adjustable seat height, seat depth, lumbar support, tilt resistance/HÅG in Balance®, lockable tilt, armrest height and armrest width.

QUALITY

10-year guarantee:

- HÅG provides a ten-year guarantee against production defects on all office chairs that are in normal use for up to 9 hours per day.

Certifications:

- Tested in accordance to EN 1335 Class A, ANSI/BIFMA X5.1, GS mark and BS 5459-2, NPR 1813 (with 3D armrests) and Swedish Möbelfakta.
- Scandinavian Business Seating is certified by DNV-GL according to ISO 9001.

5-year guarantee for 24/7 usage:

- HÅG provides a five-year guarantee on the HÅG Futu with textiles from our standard HTC collection for usage exceeding nine hours a day (24/7). The chair have been tested in accordance with British Standard BS 5459-2, which is often used to test intensive use (24-hour usage). See HÅG's price list for detailed guarantee terms.

Maintenance:

- Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Scandinavian Business Seating dealer if the chair requires servicing or maintenance.

Fire safety information:

- CMHR foam (fire resistant foam) is available on request, but must be specified at time of order and adds approximately two to five weeks to delivery lead times. CHMR foam must be specified on chairs intended for domestic use.

HÅG

ENVIRONMENT

- Easy to disassembly without using any special tools
- Contains 33% of recycled material (post-consumer and post-industrial waste)
- Low carbon footprint at 51 kg CO₂ equivalents
